

Snowmass Gold Crest (4Peruvian Legacy)

Vital Statistics

Snowmass Gold Crest arrived at Weather'd T Ranch in 2005. We are excited to add him to our breeding program. His genetic package is superior with Snowmass Legacy Gold and 4Peruvian Legacy on his Sire side. His Dam, Fancy Nancy is a Accoyo PPPeruvian Cahuide daughter.

Type: Huacaya
Status: Proven
Birthdate: 7/31/2001
Heritage: Description
ARI #: 830211
